71st ANNUAL NEW PALTZ REGATTA
June 14th

***We now have two people involved and we are making a boat.
Where Moses parts the Red Sea — We need a few more rowers
and a few more builders!***

Friends,

On behalf of the youth leaders of RMM, I invite you to a Caravan that they are leading on Saturday May 30th in the Hudson Valley. As you can see from the enclosed flier, there will be six Vigil stops, where young leaders will briefly speak about the separation of families and its impact on their lives.

Folks can join for the whole caravan or a segment. This is especially an opportunity for youth groups and Sunday school members and confirmation classes (recent or future!) (If you have a youth that would like to speak or sing - Please let us know)

We will travel in cars with signs that proclaim the Gospel: "Love Your Neighbor" "Have Empathy" "Stop Separating Families" etc.

The youth group members of RMM are painfully living into the reality of losing or fearing the loss of family members. Here is a critical moment to stand with them and add our voice to theirs - as we call for justice.

Peace, Richard (Rev. Richard Witt)

A JOURNEY OF EMPATHY CARAVAN OF YOUTH

Tending the Roots:

Recognizing Trauma & Cultivating Wellness

Integrating Trauma-Informed Practices in Work & Life

This FREE training helps understand how toxic stress and trauma affect us. We will learn about how discrimination and oppression of all kinds impact our environment and experiences. Racism will be the example we use to explore these connections. This training covers information about wellness, resilience, and adopting trauma-informed approaches. We want everyone to have the knowledge and tools to create safe and supportive spaces.

Training consists of 3 consecutive Tuesdays and are best taken in order:

June 9th, 16th, and 23rd
1:00pm - 3:30pm
@ New Paltz Church of the Nazarene
170 Route 32 North in New Paltz

Call Phoenix for more info:

845-275-5413

Training Modules:

1. INTRODUCTION TO TRAUMA AND TOXIC STRESS
2. TRAUMA... THE MIND AND THE BODY
3. WELLNESS, RESILIENCE, AND HEALING
4. TRAUMA-INFORMED APPROACHES
5. COMPASSION RESILIENCE
6. ADOPTING THE PRACTICE

LEARNING OBJECTIVES

- ◆ Ensure a fundamental understanding of trauma, its prevalence, and affects.
- ◆ Provide strategies and interventions to build effective and sustainable trauma-informed care practices and environments.
- ◆ Ensure an understanding of how collective trauma, using as an example race-based traumatic stress, has a cumulative effect on an individual's mental and physical health.
- ◆ Promote strategies to address social determinants of health in order to reduce inequities and disparities at individual and systemic levels.
- ◆ Encourage organizations to build internal capacity that sustains trauma-responsive care and the ability to train their workforce.

Register now!

Registration is required by June 5th. Send email to Phoenix at: pkawamoto@townofnewpaltzny.gov
